DETAILED ACTION

Drawings

1. Formal drawings must be submitted in light of the instant application being allowable.

Allowable Subject Matter

- 2. Claims 25-38 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: in an interview conducted on May 21, 2003, the applicant's representative argued that the voting machine of the instant application operated on a peer-to-peer basis and amended the independent claim to reflect such an operation. The prior art of record, either alone or in combination thereof, fails to teach or fairly suggest, an automated voting system comprising: a voting device having an integrated computer program wherein the integrated computer program allows the selection of one of a plurality of voting devices to control the remaining interconnected voting devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
